

GROUP TOURS

Group tours are available at The Depot Rail Museum. Your tour begins in *The Depot*, our elegantly restored train depot filled with railroad artifacts, which was built in 1886 and previously located in Brice, Ohio and then relocated to our location in 2001. The tour will then continue through the fully restored 1951 *Great Northern Dining Car*. This is one of six cars built for the Great Northern Empire Builder series; this is the only remaining car in the series and is beautifully restored and filled with Great Northern artifacts. Then on to *Car 100*, a private executive car considered to be originally built for one of the Ringling Brothers. It was later purchased by the Georgia & Florida Railroad president. Feel the presence of the nation's legendary deal makers like Diamond Jim Brady and John Skelton Williams, who slept, ate and conducted business as they swapped stories in Car 100 in high style during the Gilded Age. Kids of all ages will especially enjoy the *Central Vermont Caboose*, then after the tour, ride our *Scioto Valley Train*, a 1/3 scale train which encircles the entire complex.

Group tours with the train ride last approximately one hour. The Depot Rail Museum is handicap accessible, has special bus parking (motor coaches, school buses, etc.), and provides a knowledgeable docent for your guided tour. Interested in having lunch during your visit? Please check out our "*Hobo Box Lunch*" or "*Caboose Lunch*" packages for groups of 20 or more and eat in our beautifully restored dining car or depot (tour admission is included & adds 1 additional hour to your visit). Meal packages must be scheduled 2 weeks in advance to your tour date.

TOUR RATES

Adults: \$6.00

Seniors (over 60): \$5.00

Children (ages 3-12): \$4.00
